Engaging and thought-provoking topics challenge and inspire teenage learners. □ Cambridge Exams □ pages and assessment-style activities prepare students for success at Cambridge English: Key, Preliminary, First and Advanced.

Guided writing and speaking sections support students step by step through the process to build fluent, confident written and spoken English. Culture lessons encourage students to think and talk about life in other countries and how it compares with their own. Literature lessons expose students to authentic language and encourage an appreciation of literature. Life skills lessons develop non-language skills to help students in all aspects of their lives. Graded Workbook activities and extra ideas in the Teacher's Book provide plenty of support for fast-finishers and mixed-ability classes.
