Rediscover Let's Go - the manual for the real traveller Building on the success of the relaunched 2003 editions, this best-selling travel series has been further refined for 2004. In addition to new packaging, new format, and new features, the titles have been regrouped: those updated annually, those completely new for 2004, and those brought specially up-to-date this year.

In-depth information and fuller cultural immersion is guaranteed for an ever-increasing range of exciting destinations.
